Thanks, Shashi. We just met with the Councilmember. He is very firm on the pool opening by the end of this month. When is the County Health inspection next week? Would it help if I attended; I am happy to lean on them so there are no further delays.

Dan,

As I mentioned previously that LA County Health Department's inspection is scheduled for next week. Depending on the inspection and corrective measures necessary, we should be able to provide you with a better estimate of the completion toward the end of next week.

Thanks, Shashi! So are we still on target for a Grand Opening end of July 2015? CD13 staff + RAP staff is working on a date... Please advise.

Hi Dan,

Just to keep you posted....We continue to work on punch list items. The LA County Health Department inspection for the pool and bath house is scheduled for early next week. The water slide, Cal OSHA inspection punch list item is being worked on and compiling documents as required. The B&S has initiated the check list for the Certificate of Occupancy. The goal of opening pool in last week of July 2015 must be validated after we receive the punch list from the LA County Health Department. We will assess that list and provide you with an up-date toward the end of next week.

Thanks and have a good 4th of July weekend.

Thanks, Shashi!

I spoke with Neil today - we also reached out to RAP to schedule a grand opening date for last week of July. We would like to get it on the Councilmember's schedule ASAP before July books up.
